Supplementary Information for Use in Evaluation of Transcripts

General Information and Accreditation

Rhode Island School of Design (RISD), incorporated in 1877, is an independent, coeducational, not-for-profit college of art and design. It is accredited by the New England Commission of Higher Education (NECHE, formerly NEASC-CIHE), the regional accreditation agency for colleges and universities in the six New England states. The Commission is recognized by the U.S. Secretary of Education as a reliable authority on the quality of education for the institutions it accredits.

Academic Calendar and Semester Credit

The school year consists of Fall and Spring semesters, each approximately 14 weeks long including an exam period, and a Wintersession of 5-6 weeks. Some programs start in the Summer prior to their first Fall enrollment. The standard credit load is 12-15 credits per semester. A semester hour of credit typically represents at least three hours of work each week. In lecture/discussion courses requiring outside preparation, one hour of credit represents one hour of work each week of the term in class, and two hours of work outside class. In studio/laboratory courses, one hour of credit represents three hours of time in the studio/laboratory and home space each week of the term. Three credit studio classes generally meet in-class for five hours per week, and Foundation studio classes meet 7.5 hours per week.

Grade Key

Grade	Grade Pts	Grade	Grade Pts
A	4.00	C-	1.70
A-	3.70	D+	1.30
B+	3.30	D	1.00
B	3.00	F	0.00 (Fail)
B-	2.70	I	0.00 (Incomplete)
C+	2.30	IF	0.00
C	2.00	UW	0.00 (Unofficial Withdrawal)

(Through June 2012, incompletes changed to a letter grade are indicated by the letter grade preceded by an "I", as in "IB+". After June 2012, the letter grade stands alone as in "B+", except for unresolved incompletes which are recorded as "IF".)

Grades Not Included in GPA

P	Pass (Prior to 1997, also used for courses accepted as transfer credit)
W	Withdrawn from the course (effective Spring 1993).
NC	No Credit
AU	Audit. Records satisfactory participation, but letter grade is not granted
T	Credit for coursework transferred from another institution, or for Advanced Placement (AP) or International Baccalaureate (IB)

Historical Grading

From 1970-1976, letter grades were not assigned. Instead, grades of R (Recorded/Satisfactory), N (Not Recorded/Not Satisfactory) and I (Incomplete) assigned. Classes assigned an N typically did not appear on the transcript.

Covid-19 Grading Policy

During Spring 2020 all grading was pass (P)/no credit (NC) unless the student petitioned for a letter grade. During Wintersession 2022 all grading was pass (P)/no credit (NC).

Course Numbers

Undergraduate courses do not follow a hierarchical numbering scheme. Many graduate courses have a course number followed by a "G", as in PAINT 450G. Example of course numbers with specific meanings follow:

8500	Transfer credit
8600	Test score transfer credit (AP/IB/A-level)
8800's	Course taken at Brown University
8888	Course taken at Brown University by a student in the Brown RISD Dual Degree program
9000's	Course taken in the European Honors Program

RISD/Brown Cross Registration & Dual Degree

Courses taken at Brown University under the RISD/Brown Cross Registration agreement are included in the GPA if taken for a letter grade. Courses taken Fall 1994 and thereafter are posted with the Brown course title. A dual degree program with Brown University began in Fall 2008. Students in the program take courses at Brown that fulfill RISD degree requirements. These courses are recorded using the Brown course title with a RISD department and a course number of 8888. Brown University keeps records of student work, as well, and transcripts are available from Brown.

Graduation requirements for Bachelor degrees

Bachelor of Fine Arts, Entered Summer 2024 to present: 120 credits and 2.0 minimum cumulative GPA; Entered 1990 to Spring 2024: 126 credits and 2.0 minimum cumulative GPA; Prior to 1990: 120 credits and 2.0 minimum cumulative GPA.

Bachelor of Architecture, Entered Summer 2024 to present: 150 credits and 2.0 minimum cumulative GPA; Entered 1990 to Spring 2024: 156 credits and 2.0 minimum cumulative GPA; Prior to 1990: 150 credits and 2.0 minimum cumulative GPA.

Bachelor of Landscape Architecture, Graphic Design, and Industrial Design (no longer offered): Entered after 1990: 156 credits and 2.0 minimum cumulative GPA; Prior to 1990: 150 credits and 2.0 minimum cumulative GPA.

Graduation Requirements for Master degrees

This is a select list of degrees. Contact us for other degrees.

Master of Architecture: 111 credits and minimum cumulative GPA of 2.75

Master of Arts credit minimums vary by program, minimum cumulative GPA of 3.00

Master of Arts in Design Engineering (MADE) is a joint degree between RISD and Brown University. The Brown record contains the complete academic record; RISD's transcript selected courses only.

Master of Arts in Teaching: 36 credits and minimum cumulative GPA of 3.00

Master of Fine Arts: 66 credits and minimum cumulative GPA of 3.00 except Furniture Design and Graphic Design that require 96 credits

Master of Landscape Architecture, 3yr program: 1990 – 2010, 111 credits and minimum cumulative GPA of 3.00; beginning 2011, 111 credits and 2.75 GPA

Master of Landscape Architecture, 2yr program: 1990 – 2010: 66 credits and minimum cumulative GPA of 3.00; beginning 2011, 66 credits and 2.75 GPA

Beginning in 2025, graduates of the Teaching + Learning in Art + Design Master of Arts in Teaching program have demonstrated awareness in the knowledge and practices of the Science of Reading and Structured Literacy, per the RI Right to Read Act (R.I. Gen. Laws § 16-11.4-6(b)).

Academic Honors

Semester honors are awarded to undergraduate students who achieve a semester GPA of at least 3.750 in a minimum of 12 credits calculated in the GPA. Graduation honors are awarded to undergraduate students who achieve a final cumulative GPA of at least 3.750. Semester and graduation honors appear on the transcript. Through June 2012, semester honors and graduation honors were also awarded to graduate students.

Transfer Credits

Prior to 1997, recorded with a grade of "P". After 1997, recorded with a grade of "T". Where feasible, the actual course title is recorded. In addition, for studio transfer credit, the credit is assigned to a subject area offered at RISD instead of recording credit generically within the students' major area. If no comparable subject is offered at RISD, credit is assigned to the generic subject area entitled "RISD". Prior to Fall 1997, transfer credits were recorded with the transfer school's name below the course title.

RISD Continuing Education

Courses taken for credit in RISD's Continuing Education summer program (RISD CE) are considered transfer credit and assigned a "T" grade. Prior to Fall 1997, the "P" grade was used.

Repetition of courses

Prior to Fall 1997, a number of year-long courses had identical course numbers and titles for the Fall and Spring semesters making them appear as if they are repetitions even though each semester was different and graded individually. Beginning Fall 1997, almost all courses have their own number, making it easier to identify a course that has been repeated for credit. In general, RISD policy prohibits a student from receiving credit for the same course twice. Exceptions include: ARCH 21ST, ID 24ST, INTAR 23ST, and LDAR 22ST (studio topics classes). Grades for all repeated courses are calculated in the GPA. Beginning Fall 2015, for any course failed and repeated in a subsequent semester at RISD, only the most recent grade is included in the GPA.

Release of Information

In accordance with the Family Education Rights and Privacy Act of 1974, as amended, this transcript or its contents may not be released to any other party without the written consent of the student.

The Rhode Island School of Design changed its transcript design in July 2023.
